CJF has TeamSnap and you can request to use that if you believe it to be easier.

6. Each Coach agrees to properly prepare game lineups and adhere to the playing rules and rotations. Coaches who consistently violate the player rotation rule can be subject to removal from coaching privileges. Ensure that each player receives proper playing time and position opportunities.
7. Each Coach agrees to properly care for league provided equipment and **after every game thoroughly clean up the field area.** Ensure that your players treat our field with care.
8. Coaches agree to provide End of Season (EOS) feedback in order to more accurately form teams in future seasons.
9. Each Coach is responsible for ensuring positive and cooperative interaction with ALL players, parents, referees **and especially other Coaches.** The person(s) across the field with the other team is very important to you and you are very important to them. They are your competitor, but they are **NOT** your adversary. They are your **PARTNER** and you are their **PARTNER.** Together, you work collectively and productively to ensure that ALL of the kids have a great time playing flag football in a fun, safe and positive atmosphere. You agree to conduct yourself with the highest level of integrity, sportsmanship and **friendly** competition. You agree not to communicate or behave towards the opposing coach, team, referee or any parent/spectator in a negative or inappropriate manner.

Coaches who cannot uphold the league values will be subject to removal from coaching privileges.

In conclusion this is not the NFL; it is a great game to properly teach our kids that effort, consistency and determination will reap successes. Help them, show them, teach them, guide them what it means to be part of a team and that mistakes are part of the game and are to be learned from. In everything you do, ask yourself this question: ***"Long after the game scores have faded from memory, what will these kids remember...what will they have taken away from this experience?"***

Let's play some Flag Football and make it fun and a great experience for everyone involved!

I AGREE TO ALL OF THE ABOVE AND PROMISE TO PUT FORTH MY BEST EFFORTS TO KEEP THE BEST INTERESTS OF THE KIDS AS A PRIORITY ABOVE ALL ELSE AT ALL TIMES
